

Quality metal packaging to promote your products!

From 150ml to 5l, neutral or customized, simple or sophisticated, we inevitably have the metal can to preserve and add value to your edible oils, your syrups or sauces...

Thanks to our technical and printing innovations, our containers adapt to your entire range, from your basic products to your most premium ones, to allow you to express your originality by reinventing your packaging. We can also supply you with an anti-drop plug developed in 4 colors.

Please contact us and we will do our absolute best to find the product that best suits your needs.

Metal is a permanent material which can be recycled infinitely without losing its inherent qualities. Our packaging is made of 100% recyclable steel.

Independent and family owned, the Massilly Group is a leading supplier of metal packaging, with 25 subsidiaries located around the world. Solution and service oriented, Massilly teams aim at responsively bringing the best answer to customer's needs.

• PRODUCTS

We manufacture a wide range of metal packaging: closures, food cans, industrial packaging, decorative tins, and aerosol cans for various markets.

• EXPERTISE

Our technical and industrial teams provide the expertise and services to support you in defining your packaging project. This ensures the perfect compatibility between your products and processes and our packaging, the guarantee for shared success.

• FLEXIBILITY AND RESPONSIVENESS

Thanks to our organization and our production processes, we can adapt to your needs from a range of in-stock products to tailor-made developments, which can ensure optimized time-to-market.

• QUALITY

Utilizing our quality management systems ISO9001 – ISO22000 and FSSC22000, Massilly offers the highest guarantee for quality and food safety.
